

# SEND Provision at Kiveton Park Infant School

'Be Kind, Be Safe, Believe'

**School Staff Training**

Recent training:

- Team Teach
- Bonding through Play
- PACE
- Autism and PDA
- Clicker
- Makaton

Upcoming training:

**OFSTED said:**

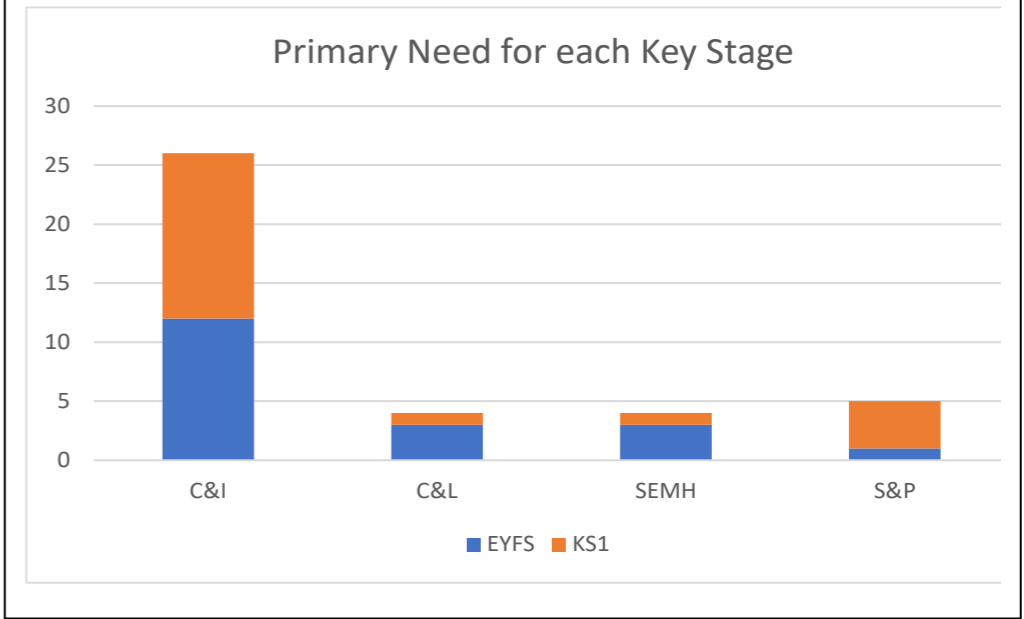

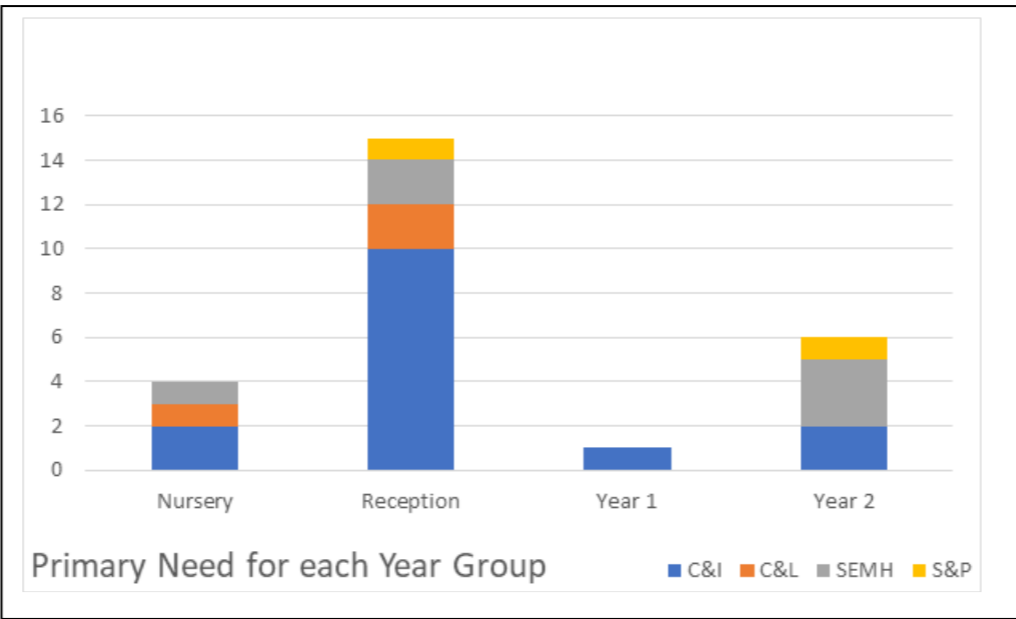

'Leaders provide high-quality training for staff to help them support pupils with SEND. As a result, pupils receive expert guidance to help them learn the full curriculum'.

'Parents and carers of pupils with SEND are fully involved in the production of support plans. Teachers use assessment to plan precise next steps for pupils with SEND. This means that pupils learn things in steps that are right for them. Pupils with SEND flourish as a result'.

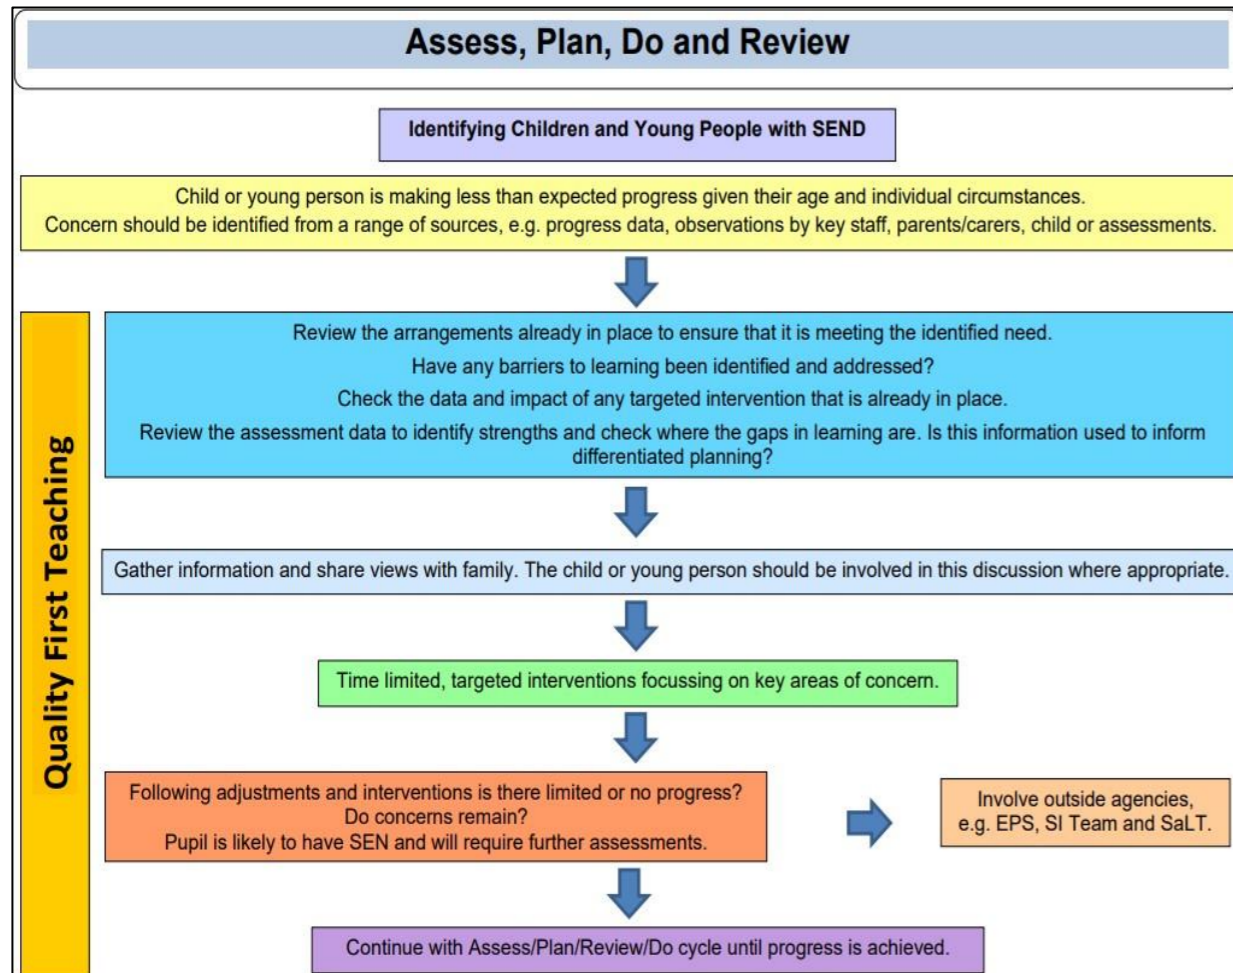

**School Staff Expertise**

- Qualified SENDCo
- Relationship and behaviour policy build on regulation and restorative practice.
- Staff qualified to support mental health.
- Strong working relationships with external professionals.
- Emotional wellbeing at the heart of all provision.
- Team Teach trained staff.
- Family Liaison Support Assistant to support families.
- Intervention Support Assistant delivering NELI, Time to Talk, Attention Autism,

Kiveton Park Infant school has 22.8 % level of SEND compared to 17.3% nationally and pupil premium 25%. We have 3 children with EHCPs in school, which is below the national average and our attendance is on average 94%. Over the last 2 years we have seen a higher proportion of pupils on the SEND register with identified needs around communication & interaction and SEMH, which has led to us developing staff expertise, seeking more ongoing interventions and adapting out interactions to support speech and language.

**Intent:** Everyone at Kiveton Park Infant school is committed to providing every child with the best start in life, including those with additional needs. We want them to develop key life skills in order for them to be fully prepared for the world we live in and for every child to reach their full potential whilst having an enjoyable and memorable time at school. We believe early identification is key and following our graduated response we assess, monitor and plan to meet the needs of all children. We understand the importance of positive mental health and the need for children to feel happy, safe and secure if they are to grow into confident individuals. As a result of this closely with the children, families and outside agencies in order to support in this area.

**Assess - A clear analysis is made of needs based on:**

- Views of the pupil and their parents/carers
- Teacher assessments and observations
- Pupil's current attainment
- Pupil's previous progress and attainment
- Tracking of progress and comparisons with national data
- Assessments by external agencies if appropriate

**Plan - Following assessment, the teacher, SENDCo, parent/carers and pupil agree on a plan of action to include:**

- Time limited outcomes for the pupil
- The adjustments, support and interventions to be put in place
- A date for review

All planning must be pupil centred and outcomes focused and recorded.

**Do - All the pupil's teachers and support staff are made aware of the plan and implement the adjustments, support and interventions.**

Teachers are responsible for:

- Differentiating and personalising the curriculum
- Delivery of 'additional and different' provision for a pupil with SEN
- Planning, support and impact measurement of all group and one-to-one interventions delivered by support staff linking interventions to classroom teaching
- The SENDCo supports teachers in the effective implementation of the provision.

**Review - The quality, effectiveness and impact of provision is evaluated by the review date.**

- This includes sharing information with the pupil and parent/carers and seeking their views.

If the pupil still has SEN following intervention, then the cycle begins again using the information gained from the review as the starting point. Ensure that the support in place is adapted to meet their needs and it becomes more personalised and targeted as required with input from the appropriate services.

At all times provision starts with Quality First Teaching.

Implementation: School Steps to Success				
Provision	Communication and Interaction	Cognition and Learning	Social, Emotional and Mental Health	Sensory and Physical
Universal	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention.	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention
Targeted	As above and also: Regular meetings with parents SALT programmes Teacher-devised specific interventions. Specific support for language and communication difficulties. Early Help if applicable.	As above and also: Regular meetings with parents Teacher-devised specific interventions. Published support programmes. Early Help if applicable. Specialist	As above and also: Fusion LSS Autism SALT support EPS	As above and also Fusion LSS EPS	As above and also: Behaviour Support e.g. Aspire Outreach EPS Bereavement support	As above and also: Occupational Therapy Hearing and Visual Impairment Team

**Impact:** As a result:

- Children feel happy, safe and respected.
- Behaviour is good and children understand the school values and rules.
- Children demonstrate high levels of engagement and there is a 'scaffold up' approach to learning which supports children with SEND.
- We have supportive and trained staff who plan appropriately for the children's individual needs.
- Children with SEND make good progress from their starting points due to Quality First Teaching and to the use of resources and bespoke small group intervention which meet the needs of the pupils.
- On leaving our school children, with SEND have developed good independence and life skills ready for KS2.
- Children are supported to make secure transitions between classes and educational providers e.g. EYFS or Junior School.
