

Maths

Y1 – In maths we will be exploring numbers to 10 to ensure we have a deep understanding of each number. We will be learning all the bonds of each number (e.g. 5 can be partitioned into 0 and 5, 2 and 3, 1 and 4), know 1 more and 1 less and compare and order numbers.

Y2 - In maths we are focusing on the place value of numbers to 100. This includes reading, writing, recognising and representing them. We will apply them into problem solving and reasoning.

Art

In art we will be developing our colour mixing and painting skills. We will practise making secondary colours and using our brushes to create different strokes. The children will be inspired by artwork by Georgia O'Keefe and will create their own flower paintings.

PE

We are developing fundamental movement skills. We will practise key skills e.g. stopping, turning, dodging and apply these into games.

Phonics and Reading

Y1 – We will be starting the extended code, looking at different ways to spell sounds:

- /ai/ sound rain, day, break, gate
- /ee/ sound be, eat, bee, funny, these
- /oa/ sound go, boat, slow, toe, bone
- /er/ sound er, ir, or, ur

Y2 – We will be continuing the extended code:

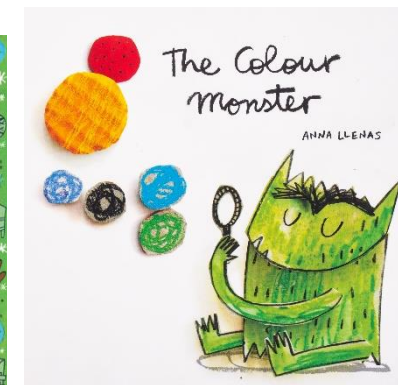

- /n/ sound not, dinner, done, gnaw, knee
- /er/ sound more spellings er, ir, or, ur, ar, ear, our
- /v/ sound van, give, of
- /oo/ sound more spellings soon, new, glue, flute, to, ruin, fruit, you, through
- /j/ sound jam, gem, large, hedge
- /g/ sound girl, digger, ghost, guess

History

We will be learning about the history of Kiveton Park, looking at how it has changed over time. We will focus on the Colliery and what life was like for people who worked there.

Focus Texts

Geography

We are looking at where we live, and identifying the physical and human features of the village.

D&T

We will be finding out why good hygiene is important and where food comes from. We will practise chopping, peeling and grating different foods. We will use these techniques when following recipes.

Key Stage
One

How Has Where We Live
Changed?
