

Maths

Y1 In maths we will be exploring what a teen number is made up of. We will compare and order them. We will move onto adding and subtracting a 1 digit number from a teen number.

Y2 – In maths we will learn how to multiply and divide numbers. We will start with looking at understanding what are equal and unequal groups. We will also be looking at counting forwards and backwards in 2s, 5s and 10s to the 12th multiple

[10 times table song](#)

Phonics and Reading

Y1 –

One spelling, different sounds:

Unit 22 <ew> (long /oo/ /yoo/)blew, pew

Unit 26 <a> (/a/ /o/ /ai/ /ar/) cat, was, lazy, vase

One sound, different spellings:

Unit 21 (/yoo/ ue, ew, u, u-e) cue, new, unit, fuse

Unit 23 /oi/ oi, oy (coin, boy)

Unit 24 /ar/ ar, a, al, (car, father, calm)

Unit 25 /o/ o, a (stop, want)

Y2 –

We will be spending this half term recapping and reinforcing what we have learnt in Y1 and Y2.

Art

We will continue our textiles unit. First we will design and make a bag and then apply our dyeing and sewing skills explored in spring 1.

PE

In PE we will be finishing off our gymnastics unit by putting already learnt skills of rolls, shapes and jumps into sequences. We will then start our new unit of dance.

Focus Text – Lila and the Secret of Rain

Geography

In geography we are continuing to learn about the world's oceans and continents.

Science

In science we are learning about habitats and how animals are suited to the habitat they live in. The [BBC Bitesize website](#) has lots of useful information about habitats.

Computing.

We will know how to drag and drop, understand and use algorithms and understand and use sequencing.
